

CHAPERONES—PLEASE READ!

1. The program begins at 10:30 am. Please arrive on our grounds at 10:15 for parking and seating.
2. Casual, warm and comfortable clothing is advised for you and your child. A coat is a “must” even on warm days.
3. We do not permit videotaping, photography or audio recording during the performance. Photos can be taken in the Museum for personal use only, no video please.
4. Books, and postcards of the dances are available for sale in the museum following the program, as well as t-shirts, sweatshirts, magnets and more.
5. Groups will be seated in rows. Please enter the ceremonial house in a single file line so that we can seat you efficiently. You may be asked to sit in a different row than your group. Do not leave the building during the program, opening the doors will cause the smoke to be pulled down over the audience.
6. Remind students that they must not walk on lower benches or play in the dirt floor.
7. Students and adults need to remain seated during the program.
8. Following the program, students need to gather in the museum so that we may point out some of the artifacts.
