Thank you so much for everything you guys put into your performances. The masks, dances and stories were just amazing. And they blew my mind! If you guys made all of the masks and costumes, I am very impressed. Especially the octopus blanket.

Dear Lelooska Foundation,

Thank you so much! I truly am thankful for you for waiting for us. The presentation was great. I never knew what the headdress looked like. The costumes were great, they (the dancers) did such a great job! I truly hope to visit again. My favorite was the Moon's part.

Dear Lelooska Foundation,

Thank you for letting us come over. Also I appreciate that you waited for us before starting the presentation. My favorite part was when full moon and Half Moon had a dance off. I liked Half Moon when she started to dance not like a Native American. I also like when the feathers started to come out of the big mouth. I also liked the word that you guys said but I forgot it. Thank you again for letting us come to the Lelooska Foundation.

Sincerely,  
Ashley

Dear Lelooska Foundation,

Thank you for an awesome and interesting presentation and my favorite thing is the last show of a wolf and the bear and [Numas] and [Grandmother Loon] and full moon and Half Moon. My favorite presentation was the bear because he was cool, awesome, and a little bit scary. And Full Moon when Half Moon won the contest of the dance and Full Moon got a stick of wood and said to Half Moon "come here" and she got the branch and attacked Half Moon. It was awesome and cool. Thank you and have a good year.

Dear Lelooska Foundation,

Thank you for waiting for us because our bus was late. You did a very great performance it was fabulous. My favorite part was when Half Moon and Full Moon were being very funny! What is Chief Lelooska's brother's name? How long did it take you to make the totem poles? When did you guys start the Lelooska Foundation? Thank you again!

Sincerely,  
Mackenzie

Dear Lelooska Foundation,

Thank you for waiting for us to arrive at the foundation. We really appreciated it. ☺ Is it fun to be able to wear those masks and dance around? Which one is your favorite to dance? My favorite one is the Bear and Half Moon and Full Moon. I thought they were both funny. What was the name of Chief Lelooska's brother? Well what was the word you had the crowd say to make the old man wake up? Did you carve your staff? On the 4<sup>th</sup> I went to the zoo and I saw two totem poles and one of them was carved by Chief Lelooska himself. I'm part Native American, I don't know what kind. I have about a quarter of a half of Native American. Well thank you again.

PS I'm pretty sure I have a blend of two kinds of Native American.

Sincerely,  
Kiarah

Dear Lelooska Foundation,

Thank you for waiting when we were a few minutes late. Thank you for making us laugh. My favorite story was Full Moon and Half Moon. I hope to come back soon. I loved when the Chief would hit the

drum and wake everyone up. Especially me! Thank you for a fabulous performance. It was very interesting. It seems so complicated, how do you do it? Thank you!

Sincerely,  
Isabella

Dear Lelooska Foundation,

Thank you for waiting for us to arrive. I really enjoyed the presentation. My favorite part was the Full Moon and Half Moon! My other favorite part was when the clam shot out water. Thank you again for waiting, I really appreciated it. Also thank you again for such a wonderful presentation!

Dear Lelooska Foundation,

Thank you for letting us come to the presentation. Also, my favorite part was when the bear and the Full Moon shook the door. It scared Jayden, he was sitting next to me. My mom's favorite part was when the guy at the beginning started the fire. I bet you that there was a hot bed of coals and he made a breeze and it caught fire.

Sincerely,  
Grady
